ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

By Appointment.

The River, Sulby Glen. Sulby Glen (the Manx Switzerland) displays much bold and rugged scenery in its narrow ravine where road and river run side by side for five of its six-mile-length. The Sulby river is unpolluted from source to mouth, and is much fished for trout, sea-trout, and salmon. Mr. Hall Caine located some of the most striking scenes in "The Manxman" in Sulby Glen.
